ONBOARDING WITH APLOI'S ENGAGE TALENT

Engage Talent is included with any Apploi subscription. With Engage Talent, you can create and send offer letters, verify credentials at the time of hire, and collect legal documentation. After onboarding is complete you'll be notified that your new hire is work-ready.

Want more robust onboarding? Apploi's Onboard & Manage Teams takes things a step further.

ONBOARDING WITH APLOI'S ONBOARD & MANAGE TEAMS

You can decline Onboard & Manage Teams when you join Apploi. But should you?

Onboard & Manage Teams provides more insight and a smoother onboarding process. Starting at the time of hire, it alerts you as candidates complete paperwork in real time, then automatically creates full digital employee files. Onboard & Manage Teams verifies your employees' credentials daily—forever. If credentials need attention, you'll be notified instantly.

SO, IS ONBOARD & MANAGE TEAMS RIGHT FOR YOUR ONBOARDING PROCESS?

Onboard & Manage Teams is designed for high-volume healthcare hiring. It's recommended for any business that could benefit from ongoing credential management, digital recordkeeping, and in-depth paperwork tracking.
